

2022 - 2023 Marital & Tax Filing Status Form - Parent

The U.S Department of Education has indicated that your Free Application for Federal Student Aid (FAFSA) may contain conflicting information concerning your parent’s current marital status and their 2020 federal tax filing status. The law states that before awarding any Federal Student Aid, we must ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, the financial aid office will compare your FAFSA with the information on this worksheet. If there are differences, your FAFSA information will be corrected. You and at least one parent must complete and sign this worksheet and submit the form to the financial aid office at Green Hall 101. If you have questions about this form, contact the financial aid office as soon as possible at (609) 771-2211 so that your financial aid will not be delayed.
