

2022 - 2023 Non-Tax Filing Statement DEPENDENT STUDENT

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding any Federal Student Aid, we must ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, the financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and the other required documents to the financial aid office at Green Hall 101. If you have questions about this form, contact the financial aid office as soon as possible at (609) 771-2211 so that your financial aid will not be delayed.

You are being asked to complete this form because YOU, the student, indicated on the FAFSA that you did not file a 2020 US income tax return and had no earned income.
