

# 2022 - 2023 Non-Tax Filing Statement PARENT CONFIRMATION

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding any Federal Student Aid, we must ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, the financial aid office will compare your FAFSA with the information on this worksheet and any other required documents. If there are differences, your FAFSA information will be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and the other required documents to the financial aid office at Green Hall 101. If you have questions about this form, contact the financial aid office as soon as possible at (609) 771-2211 so that your financial aid will not be delayed.

Please note: You are being asked to complete this form because your PARENT(S) indicated on the FAFSA that they did not file a 2020 US income tax return and had no earned income. The US Department of Education requires that we confirm this information.

In addition to completing this form, **your parent(s) must request a Verification of non-filing statement from the IRS and submit it along with this form.** If both parents did not file a tax return **you must submit a separate Verification of Non-filing for each parent.**

The request for Verification of Non-filing can be obtained in two ways:

- **Online:** <https://www.irs.gov/individuals/get-transcript> - You must use the Click on the Get Transcript ONLINE box or Get Transcript by MAIL box and follow the instructions.
- **Hardcopy:** Fax or mail IRS form 4506T to the IRS. You can access this form at: <https://www.irs.gov/pub/irs-pdf/f4506t.pdf> Please make sure to select Option #7 on the form.
