

2022 - 2023 High School Completion Status Information

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding any Federal Student Aid, we must ask you to submit documentation and validate the information chosen for verification. The Federal processor has determined that The College of New Jersey (TCNJ) Office of Student Financial Assistance (OSFA) must validate your High School Completion Status. Therefore, we are required to confirm that the information listed below has been submitted to the TCNJ Admissions Office before we can award you aid. If you have questions about this form, contact OSFA as soon as possible at (609) 771-2211 so that your financial aid will not be delayed.
