The above COA budget represents the estimated cost to attend TCNJ for one academic year based on 2022-23 expenses. Traditionally, these costs increase in July (by 2%-3% overall) once the Governor signs the NJ State budget. The COA budgets will be updated at that time.

Direct costs* are expenses that **are billed** by the College on a semester basis. For a residential student, tuition, mandatory fees, housing and food represent direct costs.

Indirect costs** are expenses that are **not billed** by the College. These costs represent estimates for out-of-pocket expenses that a student may incur. Books/supplies, personal/misc. and transportation represent indirect costs. Therefore, families should budget for these expenses.

There may be differences between your actual costs and these estimates based on fees specific to certain courses, type of meal plan chosen, health insurance plan (if selected) and/or other academically related expenses.

TCNJ does NOT guarantee that the aid awarded will meet the COA. You may obtain additional funding, up to the full COA less other aid, through credit based Parent PLUS loans and/or alternative/private loans.

Please note that tuition costs will be higher for OOS students enrolled prior to the Fall of 2021.
