The above COA budget represents the estimated cost to attend TCNJ for one academic year based on 2023-24 expenses.

Direct costs* are expenses that **are billed** by the College on a semester basis. For an off-campus student who is living on their own, tuition and mandatory fees represent direct costs.

Indirect costs** are expenses that are **not billed** by the College. Housing, food, books/supplies, personal/misc. and transportation represent indirect costs. These costs represent estimates for out-of-pocket expenses that a student may incur. Therefore, families should budget for these expenses.

There may be differences between your actual costs and these estimates based on off campus housing expenses, food allowance, fees specific to certain courses, health insurance plan (if selected) and/or other academically related expenses.

OOS enrolled students prior to Fall 2021: Students in this category will pay the higher tuition amount of \$28,012 per year.

TCNJ does NOT guarantee that the aid awarded will meet the COA. You may obtain additional funding, up to the full COA less other aid, through credit based Parent PLUS loans and/or alternative/private loans.

Please note that tuition costs will be higher for OOS students enrolled prior to the Fall of 2021.
