

# 2024 - 2025 Non-Tax Filer/Wage Verification Statement INDEPENDENT STUDENT/SPOUSE

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding any Federal Student Aid, we must ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, the financial aid office will compare your FAFSA with the information on this worksheet. If there are differences, your FAFSA information will be corrected. You must complete and sign this worksheet as well as attach any required documents.

You are being asked to complete this form because YOU, the student, (and your SPOUSE if applicable), indicated on the FAFSA that you had earned income in 2022 and did not file a 2022 US income tax return. We are required to confirm this information.
